

Welcome

Welcome to Pacific Pines Primary School.

Our school provides a partnership with parents in developing your child for the future. In particular we understand every parent values:

- A warm and supportive environment in which their child can grow with confidence;
- A focused curriculum that develops a student's potential to the fullest;
- Teachers who are committed to excellence in the teaching and learning process, who value the gift each child offers;
- Fair, firm and consistent discipline that ensures that the teaching and learning process is not compromised;
- High expectations in uniform presentation that are upheld;
- Extensive interaction with the school community;
- Effective channels of communication ensuring all partners are well informed;
- Opportunities for parent involvement.

Pacific Pines Primary is a P-7 school which is committed to providing quality educational experiences that are connected to real life, through a supportive and creative environment.

Our school motto is "Learning For Life". We believe that the values and characteristics of our families are reflected in the feeling of the community and in productive partnerships between the community, the high school and our school.

Our aim is to help provide a seamless education from Prep to Year 7, initiating a curriculum embedded in the excellent teaching of Literacy and Numeracy, as well as exposing students to contextual learning situations, involving the other 6 Key Learning Areas.

The school infrastructure features state-of-the-art technology embedded into the curriculum from Prep. We believe through the use of technology we are equipping our students with the skills and abilities to be active and informed citizens of the 21st Century. We continue to work with our school community to deliver our supportive environment.

Regards

Kathy Edwards
