

Payment Options

Pacific Pines State School now offers several ways to pay for excursions, camps etc. If you choose to use internet banking please ensure your reference includes your child's name, class and reference code to enable us to match payments on our system.

Please ensure payment is made by the cut off date to enable us to verify payments. Any credits we cannot match to an activity or made after a cut off date will be credited to any outstanding monies owed to the school.

For full details of the Payment Options now available, please read the Payment Options Information Sheet.

When choosing to use the Payment by Mail option, please ensure that a completed Credit Card Payment Advice accompanies your cheque or money order.
