FROM THE PRINCIPAL

TRAFFIC AND PARKING

Please be aware that the back access road is NOT to be used by parents as a pick up and/or drop off place for students. This is an emergency access road and we need to keep it clear for emergency vehicles to be able to gain access. Also note the messages from our local Police listed below.

Keeping Our Children Safe

Across the Gold Coast District Police are regularly contacted by school’s and concerned parents in relation to inappropriate driving and behaviour’s around school zones. Speed limits, drop-off and pick-up areas and parking rules exist to keep your children, parents and carers safe. They also help to minimise speed and traffic jams around schools. Whilst we appreciate that the drop off and pick up is a particularly busy time of day it does not excuse dangerous behaviour that could come with fatal consequences.

Gold Coast Police are constantly patrolling our school zones. Some of the offences that have been witnessed are, parents stopping in the middle of the road (double parking) and allowing children to get out of the vehicle, u-turns over double white lines into on-coming traffic, running red lights, speeding, unrestrained children, and road rage (use of offensive language whilst children were in the vehicle).

Over the next few weeks you will see an increase in High Visibility Traffic Patrols. We are keeping our roads safe by performing proactive and targeted traffic enforcement in relation to all school zones on the Gold Coast. So remember the road rules and don’t break them just to save a few extra minutes. The consequences will be with you for the rest of your life. Below outlines some of the penalties which apply to traffic offences that are currently occurring within your school zone.

SPEEDING

School zone times have been standardised in Queensland to help motorists remember when to slow down. The standard operating times for your school zones is 7–9am and 2–4pm.

Speeding

- 13-20km over the speed limit $227 and 3 points
- 21-30km over the speed limit $379 and 4 points
- 31-40km over the speed limit $531 and 6 points
- 41km and over the speed limit $1062 and 8 points

PARKING

Make sure to take extra care when parking on school grounds and on the roads and streets around the school and follow the signed parking rules at all times. Remember most schools are around residential areas please be courteous and respectful to these people by not parking over their driveways.

- Stop across Footpath $45
- Stop contrary to flow of traffic $45
Double Parking $45
Stop Contrary to continuous yellow line $45

**OTHER COMMON OFFENCES**

Seatbelts – As the parent you are responsible that your child has their seatbelts on and if required the correct car seat. Penalties for not wearing a seatbelt is $341 and 3 points. If your child is under 16 and is not wearing a seatbelt you get the ticket.

U-turns – Illegal u-turns when not signed to do so - $91 and 2 points
Red Traffic Light - $341 and 3 points
Cross Double Lines - $204 and 3 points
Disorderly conduct - $341

**Conduct of Parents**

When parents are being asked to move their vehicles by staff, the response is often negative and sometimes rude. Be aware that the safety of all children at this school is most important and if a staff member directs a driver to move, please comply with this instruction. Also note that no cars should be driving through the bus lanes at the front of the school.

**Great Results Guarantee Funding**

Our plan for our GRG funding has been approved by the Director General of Education and is now posted on the front page of our school's web site (in the news section).

**Prep Enrolments for 2016**

The Prep Information Morning will be held in the school’s hall on Thursday July 23 from 9.30am until 11am. Enrolments will commence on Monday July 27. Contact the school office to make an appointment. Also we are investigating the possibility of establishing a Play Group here at school. If you or any other parent you may know may be interested, contact the school office to register your interest.

Kathy Edwards

**Canberra**

**COST**

Our Canberra trip is quickly approaching. Chocolate sales are going well and students are very excited about the big trip. The final cost for the camp is $816.00 per student. The final payment for camp is due on Wednesday 24th June.

**INFORMATION NIGHT**

Pam from Educatours who will be taking us to Canberra will be coming to our school for a parent information evening on Monday 11th May at 6pm. This will be held in the school hall. Pam will present our itinerary and also answer any questions you may have in regards to the camp. I highly recommend that all parents attend if your child is travelling to Canberra.

**ANZAC Day**

Pacific Pines Primary has developed very proud ANZAC Day traditions. This year was no exception with an extremely moving assembly on the 24th April.

I would like to congratulate our school leaders; Andrew, Lachlan, Keeley and Telika who displayed exceptional leadership running this special assembly. Our students’ behaviour was exemplary throughout the entirety of the service and all of our wreath layers were wonderfully respectful.

We were very fortunate to have in attendance Mr Neil Neilsen who played bagpipes and Major Mark Eastgate who delivered a moving address to the assembly. We thank them both for making our ANZAC assembly such a special occasion.

Thank you also to the Pacific Pines Primary Senior Choir students for their performance on the day.

On Saturday the 25th April, 30 students and families from our school marched in the Nerang RSL ANZAC Day Service. I would like to thank these students and families and Mr Slinger, Mr Kelly, Mrs Jeffrey, Miss Wallis, Miss Wallace for representing our school.
Anaphylaxis

We currently have a number of students in our school who have severe allergic reactions to different foods. This can result in them having an anaphylactic reaction.

What is anaphylaxis?

Anaphylaxis is a severe and sudden allergic reaction. It occurs when a person is exposed to an allergen to which they are sensitive. The most common allergens to trigger substances that may cause anaphylaxis in school-aged children are peanuts, tree nuts, fish, shellfish, egg, cow’s milk, sesame, insect stings, latex and certain medications.

Anaphylaxis is potentially life threatening and always requires an emergency response.

As a result, we are requesting that nut, egg, and corn products are not sent in children’s lunches.

Our staff have all been trained in the use of Epipens and Anapens and our tuckshop has adjusted the tuckshop menu accordingly.

We thank you for your support in protecting our students from potentially serious situations.

Cold and Flu season

One of the most effective ways to protect you, your friends and family from influenza (the flu) is to practise good personal hygiene. Below is information on how simple practices like washing your hands regularly, covering coughs and sneezes, not sharing personal items, cleaning surfaces around your home and work, and staying at home if unwell can prevent the spread of flu.

Five simple ways to prevent the spread of Influenza

1. Cover your mouth and nose when you sneeze or cough

The flu virus can travel through the air when a person coughs or sneezes. When you cough or sneeze you should turn away from other people and, where possible, cover your mouth and nose with a tissue or your sleeve. Remember to wash your hands as soon as possible afterwards.

Where possible, use disposable tissues rather than a handkerchief, which could store the virus, and always put the used tissue into the nearest bin, rather than a pocket or handbag.

2. Wash your hands

Washing your hands regularly even when they aren’t visibly dirty is the single most effective way of killing the flu virus. Alcohol based hand products are an alternative to soap and water.

Always wash your hands:

- after you’ve been to the toilet
- after coughing, sneezing or blowing your nose
- after being in contact with someone who has a cold or flu
- before touching your eyes, nose or mouth and
- before preparing food and eating.

3. Don’t share personal items

The flu virus can spread when someone touches an object with the virus on it and then touches their eyes, nose or mouth.

If a member of your household has the flu:

- keep their personal items, such as towels, bedding and toothbrushes separate; and
- do not share eating and drinking utensils, food or drinks.

4. Clean surfaces

Flu viruses can live on surfaces for a number of hours. You should regularly clean surfaces such as tables, benches and fridge doors with soap and water or detergent.

5. Avoid close contact with others

Keeping your distance from others (at least 1 metre apart) when you are feeling unwell will help reduce the chances of spreading the flu virus to other people.

Avoid going out in public when you are sick. If you have the flu, you should remain at home while you are unwell and have a fever. You should not go to work or school or attend other public gatherings and avoid taking public transport.
FROM THE HEAD OF CURRICULUM

Home Reading

Home Reading is something that always has and will continue to be something that is valued highly in our school. We have an outstanding home reading program in operation in our school.

Last year we ran a parent information session about home reading and what parents can do to help their children when they are reading at home. We will be running these sessions again this term. More information will be sent home in the coming weeks. In the meantime, here’s an interesting perspective on home reading....

NAPLAN – Year 3 & 5 Students

Students in Years 3 and 5 will sit the NAPLAN tests in Week 4. NAPLAN assesses every student in Years 3, 5, 7 & 9 in Reading, Writing, Language Conventions and Numeracy on the same days at the same time right across Australia.

The dates for NAPLAN are Tuesday 12 May, Wednesday 13 May, and Thursday 14 May. Parents will receive a report on their child’s progress later in the year. For further information visit the NAPLAN website www.naplan.edu.au

Our teachers have done an incredible job in preparing students for NAPLAN both academically and emotionally. As parents there are things you can do to help your children too:

• NAPLAN can be the cause of anxiety for some children. At school we encourage an ‘I can do it’ attitude and to approach NAPLAN with confidence and with the mindset of doing my best.

• Ensure children eat a substantial, healthy breakfast each morning of NAPLAN

• Ensure children have a water bottle on the day of each test

• Monitor after school activities on the days of NAPLAN – fresh air and a good play are a great release but just make sure your child isn’t too tired for the next day.

• Ensure children get adequate sleep during NAPLAN week

In twenty years of teaching I have never encountered a cohort of children as enthusiastic, confident and excited as this year’s group of students! Please encourage this by not putting pressure on your child and fostering the approach of being proud of them no matter what. Your children and their teachers have worked to the best of their ability to prepare for NAPLAN. We are so proud!

NAPLAN Brain Boost

We will provide a Brain Booster to all Year 3 and 5 students on the 3 mornings of NAPLAN in the form of a popper and a muffin. This will take place before school. It is important to note that this is NOT a replacement for breakfast. It is to settle any nervous tummy, provide an extra boost before students going into the test, to provide something exciting, fun and social to distract from anxious feelings and to do something special for our students for all of the work they’ve put into their preparation.

PERFORMING ARTS NEWS

We would like to thank Junior Choir for leading the Easter Bonnet Parade at the end of last term and Senior Choir for an upstanding performance at the ANZAC Ceremony, well done!

Also, During Week 10 of Term 2 a number of students have the opportunity to participate in week long music rehearsals as part of the South East Regional Music Camp. It is a great achievement to represent the school and will also encourage students to practice more. Over 300 students were nominated and only 200 are selected. Congratulations to the year 6 students who were accepted to represent the school and attend the regional music camp.

SPORTS NEWS

Cross country

Congratulations to all students for their participation in the school cross country. The level of participation was fantastic and the cheers of encouragement from the hill displayed the great team spirit within our school. A special thanks to the parents and grandparents for their support.

Inter School Sport.

All year 5 and 6 students were invited to trial out for a Pacific Pines sporting team to compete against other schools in our district. Students travel by bus to various venues where they play a number of games during the
day. A note will come home this week if your child has indicated they wish to participate in one of the sports. Some teams do have limited spots available.

The sports they can select from:

- Boys: Rugby League and AFL
- Girls: Netball and Touch football
- Mixed: Football (soccer)

There will be a cost of $50 for the sport affiliation fees and bus travel.

If students do not choose to play interschool sport there will be a program running at school involving sports and other activities. There will be no cost for this program.

Scheduled Dates: Monday 18th/25th May and 1/15th June

Time: 11.00am – 3.00pm.

If your child elects to participate in the Interschool sports it is imperative that they commit to play and support the team for the duration of the season.

Congratulation to our District Representatives.

This year the sporting districts have been changed and Pacific Pines is now a part of the Broadwater District. This district is made up of 25 schools. For students to be selected in the district teams it requires a lot of skill, confidence, determination and the great support from the families.

Congratulations to the following students for their selection in district teams for term 1.

CROSS COUNTRY RESULTS 2015

The Year 4-6 students competed in the Cross Country on the 29 April and the P-3 students competed on 28 April. Thank you to all the staff and year 6 students who did a wonderful job running the Cross Country this year.

It was great to see a large amount of parents present, supporting the students as they ran. The top four students in the 10yr, 11yr and 12yr age groups will have the opportunity to represent Pacific Pines at the District Cross Country on 20 May. Information regarding the District Cross Country will be given to students in the coming weeks.

STAFF CARPARK

Please be aware we close the gates to the staff carparks each morning and afternoon, in the afternoon the gates are locked and unmanned from 2.45pm to 3.15pm.

The car parks inside the school grounds are for staff parking only.

Parents are not permitted to drive into these areas as it is considered a safety risk for students.

If you have been given access to the staff car park by Kathy Edwards - Principal please ensure you have the letter with you.

FROM THE TUCKSHOP

The tuckshop prides itself in making fresh and healthy lunches for your children on a daily basis and we are busier than ever. We would like to say a big ‘THANK YOU’ to all those parents who donate their time every...
week to help prepare and serve the food. Due to other commitments we have lost three volunteers from last term and are desperate for some more generous people to help out wherever possible.

Duties involve preparing and packing lunches for first break and serving students on first break.

Below are the days and times where help is urgently needed.

Tuesday 9am - 11.30am
Wednesday 9am - 11.30am
Thursday 9am - 11.30am

If you are able to help out please contact Helen on 55025316 or come and see me at the tuckshop.

IMPORTANT REMINDERS

Parents are not permitted to drive into the school grounds to drop off or collect students. Parents are endangering the lives of their children as well as other students entering and leaving the school grounds.

Pacific Pines State School is a smoke free and dog free zone. Dogs are not permitted in the school grounds they must remain outside the boundary fence regardless of size.

EXCURSION NOTES AND REMINDERS

In 2014 we implemented a process whereby all excursion notes are emailed home to parents/carers. A reminder will also be sent home via email as the closing date for excursions nears, if you have already paid for your child’s excursion then simply ignore the automatic whole school reminder.

Please ensure the school has your current email address to avoid missing out on upcoming excursion notes and reminders.

Please do not reply to the emails as info@pacificpinesss.eq.edu.au is an automated email address and replies are not monitored by administrative staff.

COMMUNITY NOTICES

Slightly Wonky Creations

Sick of constantly replacing school hats and jackets even though your child’s name is written inside? Lost properly is a frustration and time waster for parents and the school alike so I would like to offer you an alternative. For as little as $5-$6 per item, with discounts available for large families, you can have your child’s full name or just first initial and surname machine embroidered on their hats and jackets. You may have seen
some around school already. It makes it very easy easy to identify what belongs to which child and a lot harder to pick up someone else's by mistake. If you are interested in getting your child's uniform embroidered please give me a call, email or drop by my Facebook page to arrange.
