Dental Van

Qld Health Oral Health Services – Child and Adolescent Oral Health Services would like to take this opportunity to provide information about services that can be provided to students by Qld Health – Child and Adolescent Oral Health Services

Queensland resident children four years of age or older who have not completed Year 10 of secondary school are universally eligible for publicly funded oral health care through Queensland Health.

In Qld Health Oral Health Services - Child and Adolescent Oral Health Services, each fixed or mobile dental facility is allocated to provide oral health services to a specific school or schools. This roster varies from year to year on a rotational basis.
At present the students at Pacific Pines State School will be offered care by Child and Adolescent Oral Health Services through Mobile Dental Van 55. You will be advised regarding the dates the van will be starting here in the near future.

**NAPLAN Results**

This year all Year 3, 5 and 7 NAPLAN results will be released sometime next week. I have received provisional results last week and will be able to determine how each cohort and class has achieved before the official results are released. After the initial examination, it looks like our Year 3 students have achieved higher than expected in their Reading results. This has been a direct result of the great teaching of reading that Prep, Year 1 and 2 as well as Year 3 staff have done over the past three to four years. Mrs Woodley has had a significant influence as well through her explicit teaching and modelling in our junior classrooms.

**School Opinion Surveys**

Today all families have been issued with a Parent/Carer Opinion Survey to complete online. Over 750 surveys have been issued. Please take the time to complete your as it will assist us in our school’s direction for the next 4 years. Targeted students in Years 5 and 6 will be completing their surveys next week.

**Teaching, Learning and Discipline Audit**

Every four years schools in Q’ld undergo a teaching, Learning and Discipline Audit. This week three accredited auditors will be visiting the school to give us feedback regarding how the school is achieving in the 8 domains of the Teaching and Learning Audit as well as the 5 domains of the Behaviour Audit. The staff have worked hard over the past two terms to determine what the school is doing well and what we will need to do over the next 4 years. Each auditor will visit all classrooms to talk to students and staff and will then give the staff feedback at the end of their visit.

**School Attendance**

The Department’s policy regarding failure to have students attend school on a regular basis has changed and has become much more rigorous and accountable. Parents who do not cooperate with the school in their child’s attendance will go through a shorter process before it becomes more serious. This policy has been enacted this week and should see more positive results in students attendance at all schools throughout Q’ld. Remember every day counts in your child’s education.

**Sports’ Days**

Thank you to all those parents who supported our three Sports’ Days last week. Our students were both a credit to their school and to their families. I am sure that there were many tired students by Friday.

Kind Regards

Canberra News

Our camps to Canberra are just around the corner. Over the next two weeks we will meet with the students to run over final plans. I will also send home another requirements list and some final information. Listed below are some things to remember for the trip

Year 6

We will meet at Coolangatta Airport on Sunday 10th August at 5:00am.

Students will return from camp on 2 different flights. You will be notified which flight your child will be on.

Flight 1: will arrive at Coolangatta Airport on Thursday 14th August at 7:30 pm

Flight 2: will arrive at Coolangatta Airport on Thursday 14th August at 8:30 pm

Year 7

We will meet at Coolangatta Airport on Sunday 17th August at 8:00am.

Students will all return on the same flight. The flight will arrive at Coolangatta Airport on Thursday 21st August at 9:30 pm

It is extremely important that all students have appropriate clothing for the trip. It has been extremely cold in Canberra over the past few weeks and the weather is predicted to be much the same. Layering clothing is suggested and long pants and closed in shoes are a must. Please ensure that the logos and pictures on clothing are appropriate. Thermal underwear is on sale at Anaconda and Mountain Design.

Students are required to supply their own morning tea and lunch and a filled water bottle (water bottle will be supplied and sent home with students and must be brought filled with water to the airport) for Sunday. Food will need to fit into the student’s carry-on bag. All other meals are provided.

Kind regards

Scott Anderson

Deputy Principal

HEAD OF CURRICULUM NEWS
ICAS

ICAS testing is nearing its completion for 2014. There are two tests remaining, English and Maths. The English test will take place on the Monday 28th July and the Maths on the 7th of August.

Stay tuned for the results, awards and certificates of participation, they will be awarded to students when they are delivered.

Mathletics

The end of last saw a number of significant Mathletics awards presented. The Mathletics class for the whole school for the entire semester was 4A, being closely trailed by 6P and 5G. The Mathlete of Pacific Pines for the semester was Joshua S who narrowly edged out Aaron R and Harrison A. Next week the award recipients will be rewarded with a whole class reward activity for 4A and a special Mathletics celebratory lunch for Joshua, Aaron and Harrison.

Another great fortnight of achievements in Mathletics! It has been great to see some Prep classes and students receiving awards and recognition of their efforts using Mathletics.

Our individual winner for in 6-7 was Jai in 70, well done Jai. The Mathlete of the Week for 4-5 was Ami rah in 5G. 2-3 Mathlete of week was Havanna. The Preppie to Year 1 Mathlete of the week was Kiana B.

YEAR 4-7 ATHLETICS CARNIVAL 2014

On Thursday 17 July the Year 4-7 students walked across the road to the Pacific Pines High School to participate in the Pacific Pines Athletics Carnival. The Gold Coast turned on perfect weather conditions so the students could fully enjoy the day. It was very pleasing to see so many students competing in the events and gaining valuable points for their houses. Once again the teachers did a great job running the events with the students having a fantastic day. A big thank you to the High School for allowing us to use their grounds and to the sports excellence students who helped with the events.

GRiffith University Research Project

Pacific Pines Primary School is participating in a Griffith University research project about the factors that influence the educational and other activities that parents engage in with their children.

By participating you can help your child’s class win a class party and also enter a draw for a $50 shopping voucher. Return the signed consent form to your child’s classroom and a questionnaire will be sent home.

Thank you for your support.

INTERSCHOOL SOCCER REPORT 2014

World Cup fever was imminent in the minds of many of the players in 2014. There was much excitement in the soccer players this year as some could dream of their possible future on the world stage. What they displayed on the park during the season is worthy of such high personal aspirations.

Sixty five eager Pacific Pines students registered and played within the Interschool Soccer Teams in 2014. Players were prompt, respectful and energetic at each Thursdays practice sessions and Monday's game day!

What promised to be a very exciting year on the field certainly came to pass. It was gratifying for all involved as the six teams representing Pacific Pines were keen to display their prowess that hours of practice had instilled into their particular style of play. It is also worthy of note that Pacific Pines were able to field such a high number of teams not matched by any comparable school in the area.

There were many fine individual performances witnessed both on and off the field, along with the essential component of team work and the competitive spirit that Pacific Pines players are well renowned for displaying.

Attacking team football is the essence of Pacific Pines Soccer success and once again in 2014, the statistics ‘tell the tale.’

All Pacific Pines teams were highly competitive and successful throughout the season; however, without wishing to single out any particular team, there is a standout performance that must be brought to the attention of the Pacific Pines school community. The Senior A’s netted a highly impressive tally of 85 goals whilst limiting their opposition to a meagre 1. That is, 85 goals FOR Vs 1 goal AGAINST. An incredible feat indeed!

Keeping in mind, this total of for and against were over 8 highly charged games encountering various climatic conditions along with ‘subs’ coming on and off which alters the dynamics on the field. They won the Grand Final 7 – 0. Well done team.

The two Senior B teams and the three Junior teams were always competitive and genuinely excited in their performances and are to be congratulated for the manner in which they invariably approached all games. For many of the players, this was their first encounter with soccer and they enthusiastically celebrated all goals scored.

Appreciation also needs to be extended to the coaches who willingly devoted their time and expertise to the success of the 2014 Soccer season.

Thank you Mr Slinger, Mr Robinson and Mr Kelly.

Well done boys and girls for a terrific season of soccer and sportsmanship.

MUSIC NOTES

Performing Arts

All ensembles and lessons are continuing throughout the term as normal. Thank you to those families who remembered to bring their students in week 1! You are fantastic!

Welcome again to Mr David SueYek, our new Strings teacher. Mr SueYek is here Tuesday mornings and all day Friday – the same as last term’s times.

Welcome again also to Mrs Shannon Bebendorf, returning from her maternity leave.

Choir – I am proud to announce that 10 of our students have been offered the opportunity to perform at Jupiters Casino on Monday morning 11th August for the Australian Music Association Conference. Those students have been notified and need to confirm their attendance with me via the permission slip.

Eisteddfod performances are coming up for Junior Band and Acacia Strings. Please encourage your child to practise their band or string ensemble music so their performance is the best possible. Please return permission notes to Mrs Walters, Mr SueYek or Mr Paye as soon as possible. Jacaranda and Grevillea Quartet’s will be
performing on August the 8th at the Robina Community Centre. Acacia Strings will be performing at the Arts Centre on Monday 25th August.

HELPING HANDS NEWS
Helping Hands
Outside School Hours Care
Pacific Pines

0459 991 456  pacificpines@helpinghandsnetwork.com.au

From the coordinator:  What's been happening:  What's coming up:

Vacation care has been a fun packed two weeks here at helping hands. During our first week of holidays the children got called to do a fire drill, during our fire drill someone snuck into the hall and stole Miss Julie’s Diamond! The children had to collect a detective pack filled with a magnifying glass, clues fingerprint pack, fake moustache, detective badge and much more they then had to work together to figure out who stole the missing diamond. There were different types of clues and challenges for each group to complete amongst other activities. On the last day (first week of holidays) the children caught Mr Stephen and Miss Lisa fighting over the stolen diamond, it was such a sight to see 70 kids chasing after the 2 thieves to save Miss Julie’s Diamond! [All Pretend Play]

Just before the holidays started we picked up the pot that the children had been working on for the readerabahn show, the kids were so surprised and excited to see that we had won 1st prize!!

We asked the children if they would like to enter new art work into the gold coast show and majority of the children said they would love to participate in the GC show.

We will be trying to enter into different areas such as the “Wearable Art” section which will entail designing accessories out of different materials, if you have any suggestions with this activity we would LOVE your help.

This term our focus area will be communicating with parents, we use the communication book at the service to cancel or change bookings but we would love some ideas on how to communicate in different ways, if you have any suggestions please feel free to come see either Miss Julie or Miss Kaylee we would love some ideas/feedback ☺

Kind Regards,
Julie Reid

Dear Parents/Carers,

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

NATIONAL COLLECTION OF DATA
All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. In 2014, two thirds of Queensland schools will participate and all schools will be collect data from 2015. Our school will be involved in the nationally consistent collection of data from this year.

Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

Yours sincerely

Mrs K. Edwards

Principal

ENTERTAINMENT BOOKS

Entertainment books are once again available from the school office. The cost is $55.00 per book with $11.00 going to the school.

IMPORTANT REMINDERS
Parents are not permitted to drive into the school grounds to drop off or collect students. Parents are endangering the lives of their children as well as other students entering and leaving the school grounds.

Pacific Pines State School is a smoke free and dog free zone. Dogs are not permitted in the school grounds they must remain outside the boundary fence regardless of size.

**EXCURSION NOTES AND REMINDERS**

We will be implementing a new process whereby all excursion notes are emailed home to parents/carers. A reminder will also be sent home via email as the closing date for excursions nears, if you have already paid for your child’s excursion then simply ignore the automated whole school reminder.

Please ensure the school has your current email address to avoid missing out on upcoming excursion notes and reminders.

Please do not reply to the emails as info@pacificpinesss.eq.edu.au is an automated email address and replies are not monitored by administrative staff.

**TUCKSHOP**

The tuckshop prides itself in making fresh and healthy lunches for your children on a daily basis and we are busier than ever. We would like to say a big “THANK YOU” to all those parents who donate their time every week to help prepare and serve the food. Due to commitments we will lose some volunteers at the end of the term and are desperate for some more generous people to help out wherever possible.

Duties involve preparing and packing lunches for first break and serving students on first break.

Below are the days and times where help is urgently needed.

Tuesday 9am - 11.30am

Friday 9am - 11.30am

If you are able to help out please contact Helen on 55025316 or come and see me at the tuckshop.

Regards

Helen Pitman

COMMUNITY NOTICES

CUBBY HOUSE FOR SALE!

It’s that time of year again! When the Ye 11 Construction students at Pacific Pines SHS get to the end of constructing the “al fresco” famous Cubby Houses.

Hours of fun can be had by your littles ones with this traditionally styled cubby house.

Do you remember those long hot days of fun and enjoyment playing with your friends outside in the garden?

Why not let your own children experience the boundless fun while learning and developing their imagination.

Apart from the obvious reasons, why buy one of these cubby houses?

* They come already undercoated for protection from the weather and as a blank canvas just waiting for you to make it your own.
* Fully dismantable for ease of transportation. If you are restricted with access to your garden, this cubby house can be taken apart and easily re-assembled wherever you want it to be.
* At only $600, this is the cheapest all timber cubby house on the market (this doesn’t even cover cost of materials).

If interested, or to purchase one of these amazing cubby houses, please contact Mr Scott Humphrey (Head of T&I at Pacific Pines SHS)

What people are saying?
What a relief to come across a program that preserves
the dignity of the child, maintains the self control of
both the parent and the child and is actually easy to
remember when memory is the first thing to go!
I realized quickly that the 1-2-3 Magic can be a
magnificent preventative measure that any parent can
use to avoid raising a child, who, over the long haul,
needs excessive discipline or arrows out of control.

Who’s running it?
The trainer for this course is Nikki Condon who
completed the Parents’ Night 1-2-3 Magic & Emotion
Coaching on 10 May 2010. Studio Village Family Support
Worker, Nikki has worked with families, children, young
people including teen mums, and the community since
the 1990’s with a special interest in building parents’
confidence to raise happy children.
