21st March 2014

FROM THE PRINCIPAL

National Anti-Bullying Day

Friday March 21 is National Anti-Bullying Day. Our school believes that all students have the right to come to school feeling safe. Bullying can happen in many different ways, including physical, verbal and social bullying. The most effective way to stop bullying is to report it. Our school has a system whereby students can fill out a Bully Report Form with their classroom teacher. The teacher signs the form and the Deputy Principals follow up all incidents and then give feedback to the student and teacher. There is an amazing You Clip video developed by high school students last year. Please access the link below to share with your children. Many students have seen this clip here at school.

Newsletters
Our school newsletter can be obtained electronically each fortnight through our website link at www.pacificpines.eq.edu.au. You will need to sign up to receive this service each fortnight. It is vital for parents to read this newsletter in order to keep up to date with events at the school. If you do not have access to the internet, then please arrange to receive a hard copy through the school’s office.

**Excursions**

All excursions have a cut-off date for payment. We need to adhere to that date and will make no exceptions if payment is made after the due date. At times the line at the payment office window is quite long. This can be avoided if payments are made online.

**Reading Eggs and Mathletics**

Most schools charge a fee in order for students to be able to use these two interactive Literacy and Numeracy resources. However, our school’s P&C pay for Reading Eggs and Mathletics each year so all students can have equitable access. On behalf of our staff, students and community, thank you to our fantastic P&C for adding to our students’ learning.

**Shade**

At present, we are having shade erected over the Prep playground. During the past few years, many shade sails over this playground have been damaged by the weather. The school has spent a great deal of money having these repaired. I have decided to replace all damaged sails with permanent colour bond structures. This will take some time to budget for, however my aim is to have all three permanent structures completed by the end of this year. Our school’s P&C will be assisting to fundraise in order for this to happen. Please support all of their initiatives.

**Parent/Teacher Interviews**

These interviews will occur after the Easter Holidays. Be on the lookout for information from your child’s teacher regarding making times for these interviews. You will be able to book online. Written reports will be given out at the end of second term.

**Larry the Learning Lizard**

During the past two weeks, I have enjoyed visiting the Prep, Year 1 and Year 3 classes with Larry. I have seen some amazing learning happening in these classrooms. I am looking forward to my visits next week to Years 2, 4 and 5 classes. I am sure that Larry and I will see some more amazing learning happening in these rooms.

Kind Regards

Kathy Edwards

**FROM THE DEPUTY**
It is hard to believe we have two weeks to go this term. The students and teachers have been very busy preparing for assessment tasks and testing as we head towards the end of term. There are many great learning opportunities occurring each day and it has been wonderful to be in classrooms to see positive learning taking place.

**School Leaders**

On Friday the 21\(^{st}\) March we were privileged to induct our school leaders for 2014. The role of our School Leaders is very important as they are both representatives of our school in the community and provide a student voice within the school environment. **NAPLAN**

Our Year 3, 5 and 7 students will be involved in the annual National Assessment Program – Literacy and Numeracy (NAPLAN) tests. The purpose of these tests is to assess the literacy and numeracy skills of Australian students, to collect data from the population of Years 3, 5, 7 and 9 students for reporting to parents/carers and schools for systemic reporting.
The literacy tests consist of:

- Language conventions - spelling, grammar and punctuation
- Writing - knowledge and control of written language
- Reading - comprehension

In numeracy, the content areas assessed are:

- Number
- Measurement, chance and data
- Space
- Algebra, function and pattern.

Results from the tests will provide important information about children's progress in literacy and numeracy. Following the tests, schools and students will receive a statement of performance in relation to the national minimum standards. The tests are conducted over 3 days in Week 4 of Term 2. Information about the NAPLAN tests is available from the NAPLAN website: www.nap.edu.au. Sets of test preparation questions for literacy and numeracy are available for each year level.

**Year 5 Camp Tallebudgera**

Year 5 students will be attending camp at Tallebudgera Beach School from the 22nd April to the 24th April. This camp will allow students to develop leadership skills and co-operative group work skills. At the camp students will participate in activities to promote the development of each individual through:

1. Learning without fear in a safe environment with informed and supported risk taking.
2. Support and tolerance promoted through teamwork in learning.
3. The school motto: The 4 C’s – Consideration, Co-operation, Courtesy and Common Sense – to promote personal accountability.
4. The development of individual accountability for and appreciation of the environment.
5. The support and acceptance of individual and group diversity and difference

Please return all medical forms by Tuesday 25th March. Final payment for camp is due on Monday 24th March.

**Year 6 & 7 Canberra Trip**

It was great to have so many parents turn up to our Canberra information session last week. Going home with students today will be information letters with a summary of information about Canberra. If you have any questions regarding this please don’t hesitate to contact your child’s teacher or myself.

**Parent Teacher Interviews**
During Week 2 and 3 of Term 2, parents of students in Year 1 – 7 are invited to have an individual meeting with their child’s teacher to discuss academic progress, behaviour and learning goals. Each interview will be of 15 minutes duration. For organising these interviews we are trialling a School On-Line Booking System (SOBS). Using this system means parents will be able to book the interview time that suits them best from any internet-connected computer. Full details on how to make bookings will be sent home with students next week. Parents without internet access can make an interview time through the class teacher.

As this is the first year that Prep students will receive a formal report card, interviews for Prep parents will be held at the end of Term 2 so that teachers can discuss both the report card format and student progress at the same time. All students will receive a written report in Week 10 of Term 2.

HEAD OF CURRICULUM NEWS

Eggciting News for Pacific Pines readers!

We are very eggcited to announce that thanks to our generous P&C all students at Pacific Pines Primary now have access to ABC Reading Eggs and Reading Eggspress.

ABC Reading Eggs and Reading Eggspress are Australian programs that are designed to get your child motivated and excited about reading in both the home and school environment. The programs are the result of over 3 years’ research and work designed to bring 21st century technology to the key task of getting children successfully started on the journey to becoming proficient and motivated readers.

It is anticipated at Pacific Pines Primary that both Reading Eggs and Reading Eggspress will compliment and enrich your child’s daily home reading routine providing additional support or enrichment where needed within a motivating 21st Century learning environment.

Both Reading Eggs and Reading Eggspress are full of educationally sound fun and interactive activities that focus on the most fundamental skill needed in school: reading.
**Reading Eggs** starts children on their reading journey beginning with letter sound awareness, early phonics and sight words and the development of early decoding and comprehension skills. Continuing on from this the **Reading Eggspress** Library has more than 1000 levelled fiction and non-fiction e-books included illustrated chapter books, full colour nonfiction books and a range of classics, with an online reading quiz included for each title.

All teachers are in the process of setting up their classes and placing students on an appropriate level / program. Children will be provided with their individual usernames and passwords prior to the holidays to allow access over the break for those who wish to keep up with their reading.

Pacific Pines students will be able to log in to their individual program (either **Reading Eggs** or **Reading Eggspress**) from home by visiting [www.readingeggs.com.au](http://www.readingeggs.com.au). **Reading Eggs** (not **Reading Eggspress**) can also be downloaded as a free app from the iTunes app store which allows those who have iPads at home to access this resource via another medium.

As with Mathletics, from term two, individual and class motivational awards will be incorporated into year level assemblies as this opportunity for 24/7 access to learning becomes embedded across the school community.

Please contact your child’s class teacher for further information regarding this eggcellent new Pacific Pines initiative.

Regards,

*Rachael Jeffrey – Head of Curriculum*

IMPORTANT REMINDERS

Parents are not permitted to drive into the school grounds to drop off or collect students. Parents are endangering the lives of their children as well as other students entering and leaving the school grounds.

Pacific Pines State School is a smoke free and dog free zone. Dogs are not permitted in the school grounds they must remain outside the boundary fence regardless of size.

EXCURSION NOTES AND REMINDERS

We will be implementing a new process whereby all excursion notes are emailed home to parents/carers. A reminder will also be sent home via email as the closing date for excursions nears, if you have already paid for your child’s excursion then simply ignore the automated whole school reminder.

Please ensure the school has your current email address to avoid missing out on upcoming excursion notes and reminders.

Please do not reply to the emails as info@pacificpines.eq.edu.au is an automated email address and replies are not monitored by administrative staff.

EVERYONE WELCOME

NEW SCHOOL WEBSITE

Pacific Pines Primary School has a new website! The address for the new site is: www.pacificpinesss.eq.edu.au.

The website will provide parents and the community with up-to-date information, timely calendar reminders and access to school documents. It will also be a great place for families to see the great things that we do here at Pacific Pines Primary through our regular news stories.

For those of you that have smart phones there is also the option of connecting to the school website using the free QSchools app. When the school publishes content to the website, the smartphone app is automatically updated, meaning you remain up-to-date with the latest news, events and newsletters. The app also allows you to see tuckshop menus, uniform shop information, class times, contact details and the department's social media feeds. Emergency announcements, such as information about natural disasters and school closures, can be published via the app.

The QSchools app Version 2.0 for iOS and Android are available for free download from the iTunes store and Google Play. QSchools Version 1.2 for Windows 8 phone and tablet is available from the Windows Store. An update to the Windows app is coming soon.

A link to download the QSchools app appears on the website.

From the coordinator: What’s been happening: What’s coming up:

Dear parents and families of Pacific Pines State School,

It’s been a busy time for our worm farm. The children are getting involved with feeding the worms by giving them all the scraps from our afternoon tea times. The children have set up a new water gauge so they can keep a record of how much water the worms are getting. The children enjoy this experience so much that when they arrive back to the room they write stories and draw pictures about their experiences and stick them in the service’s worm farm scrapbook for everyone to see.

The younger children have been enjoying playing with the new babies and accessories. Home corner and dress ups have also been very popular so far. The children are playing all sorts of imaginative games from dogs and cats to families going on camping trips. If you have any unwanted clothes/objects that would suit our dress up collection your donation would be much appreciated.
