### **NAPLAN testing**

On Tuesday 13, Wednesday 14 and Thursday 15 May, students in Years 3, 5, 7 and 9 will take part in the National Assessment Program – Literacy and Numeracy, or NAPLAN, as it is commonly known.

Skills that will be tested include: reading, writing, spelling, grammar and punctuation, and numeracy.

These tests are done here at school and are considered just another part of the curriculum.

It is important for you and your child to know that NAPLAN is not a pass/fail test. It simply looks at what level students are achieving in literacy and numeracy against National Standards and compared with student peers throughout Australia.

NAPLAN cannot be studied for and students are not expected to do so. The best way you can help your child prepare for NAPLAN is to let them know that it is just a routine part of their school program, and to urge them to do the best they can on the day.

All students in Years 3, 5, 7 and 9 are expected to participate in NAPLAN testing.

Later in the year we will send you an individual student NAPLAN report that you can use to view and monitor how your child is progressing.

More information is available on the [NAP website \(http://www.nap.edu.au/\)](http://www.nap.edu.au/).

If you have any concerns, please contact me.

#### **Year 3 Intensive Teaching**

As part of our Guaranteed Great Results agreement, all Year 3 students have been working for the past 8 weeks in intensive teaching groups in Reading and Numeracy. All classroom teachers as well as Mrs Barratt, Mrs Woodley and Mrs Keswell have been teaching these groups for six forty minute sessions each week. The results have been amazing and students have shown significant progress across all bands. Well done to all of our students and staff.

#### **School Restructuring**

Fourteen of our staff attended a two day Literacy In-service professional development on May 1 and 2 last week. The course will be introduced to our Year Prep to 2 students commencing in Week 6 this term. It is an intensive literacy program which focuses on sounds, words, rhymes etc and is going to be taught to small groups of our students. I will be informing parents of students who will be included in this program after assessment of students has been completed. Delivering this program will mean some staff changes in the junior school. Results gained for our students will be amazing.

Kind Regards

### **Anaphylaxis**

We currently have a number of students in our school who have severe allergic reactions to different foods. This can result in them having an anaphylactic reaction.

#### ***What is anaphylaxis?***

Anaphylaxis is a severe and sudden allergic reaction. It occurs when a person is exposed to an allergen to which they are sensitive. The most common allergens to trigger substances that may cause anaphylaxis in school-aged children are peanuts, tree nuts, fish, shellfish, egg, cow's milk, sesame, insect stings, latex and certain medications.

[Anaphylaxis is potentially life threatening and always requires an emergency response.](#)

As a result, we are requesting that nut, egg, and corn products are not sent in children's lunches.

Our staff have all been trained in the use of Epipens and Anapens and our tuckshop has adjusted the tuckshop menu accordingly.

We thank you for your support in protecting our students from potentially serious situations.

### **ANZAC Day**

Pacific Pines Primary has developed very proud ANZAC Day traditions. This year was no exception with an extremely moving assembly on the 24<sup>th</sup> April.

I would like to congratulate our school leaders; Nicholas, Emily, Gemma and Christiaan, who displayed exceptional leadership running this special assembly. Our students' behaviour was exemplary throughout the entirety of the service and all of our wreath layers were wonderfully respectful.

We were very fortunate to have in attendance Mr Neil Neilsen who played bagpipes and WO2 David Rudder who delivered a moving address to the assembly. We thank them both for making our ANZAC assembly such a special occasion.

Thank you also to the Pacific Pines Primary Senior Choir students for their performance on the day.

On Friday the 25<sup>th</sup> April, students and families from our school marched in the Upper Coomera Community ANZAC Day Service. I would like to thank these students and families and Miss O'Donnell, Mr Slinger, Mr Kelly and Mr Morris for representing our school.

### **Cold and Flu season**

One of the most effective ways to protect you, your friends and family from influenza (the flu) is to practise good personal hygiene. Below is information on how simple practices like washing your hands regularly, covering coughs and sneezes, not sharing personal items, cleaning surfaces around your home and work, and staying at home if unwell can prevent the spread of flu.

### **Five simple ways to prevent the spread of Influenza**

#### **1. Cover your mouth and nose when you sneeze or cough**

The flu virus can travel through the air when a person coughs or sneezes. When you cough or sneeze you should turn away from other people and, where possible, cover your mouth and nose with a tissue or your sleeve. Remember to wash your hands as soon as possible afterwards.

Where possible, use disposable tissues rather than a handkerchief, which could store the virus, and always put the used tissue into the nearest bin, rather than a pocket or handbag.

#### **2. Wash your hands**

Washing your hands regularly even when they aren't visibly dirty is the single most effective way of killing the flu virus. Alcohol based hand products are an alternative to soap and water.

Always wash your hands:

after you've been to the toilet

after coughing, sneezing or blowing your nose

after being in contact with someone who has a cold or flu

before touching your eyes, nose or mouth and

before preparing food and eating.

#### **3. Don't share personal items**

The flu virus can spread when someone touches an object with the virus on it and then touches their eyes, nose or mouth.

If a member of your household has the flu:

keep their personal items, such as towels, bedding and toothbrushes separate; and

do not share eating and drinking utensils, food or drinks.

#### **4. Clean surfaces**

Flu viruses can live on surfaces for a number of hours. You should regularly clean surfaces such as tables, benches and fridge doors with soap and water or detergent.

#### **5. Avoid close contact with others**

Keeping your distance from others (at least 1 metre apart) when you are feeling unwell will help reduce the chances of spreading the flu virus to other people.

Avoid going out in public when you are sick. If you have the flu, you should remain at home while you are unwell and have a fever. You should not go to work or school or attend other public gatherings and avoid taking public transport.

#### **New cybersafety website**

The Meet the Creeps cybersafety website helps parents and students become aware of online scams, social media pitfalls and cyberbullying. The joint Telstra and Queensland Government project aims to equip middle school students with the skills to keep safe online.

Crackers the clown and Shifty Shane are just two of the characters you will meet in a new interactive quiz designed to highlight potential online dangers.

<http://www.creepquiz.eq.edu.au/>

#### **School Attendance**

Our goal for attendance is to stay over 95%. Unfortunately we did not reach that target last term. Please make sure your child attends school every day and that they arrive at school on time. Below I have listed the attendance percentage for each year level from Term 1.

Overall 93.7%

Prep – 93.9%

Year 1 - 93%

Year 2 - 94.9%

Year 3 – 93.7%

Year 4 – 93.3%

Year 5 – 94.3%

Year 6 – 92.7%

Year 7 - 94.4%

It was my pleasure to give awards to students who had 100% attendance for Term 1 on last week's assemblies for Yrs 4-7. Congratulations to those students, keep up the great attendance.

### **Canberra news**

On Wednesday all students attending our Canberra trip received their paperwork for the trip. These documents are also available on the school website.

## HEAD OF CURRICULUM NEWS

---

### NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an annual event for schools since 2008.

On Tuesday 13, Wednesday 14 and Thursday 15 May, students will undertake the 2014 NAPLAN tests.

NAPLAN is made up of tests in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.

NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australian children.

All students are encouraged to participate in the tests. Students with a disability may qualify for special provisions that reflect the support normally provided to them in the classroom.

An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may also wish to use their child's results to discuss progress with teachers.

For further information, parents should speak to their child's Foundation teacher and / or view the NAPLAN website: [www.naplan.edu.au](http://www.naplan.edu.au) .

### **How to best support your child for NAPLAN**

Ensure your child has a good night sleep

Give them a solid healthy breakfast – but don't overload them

Provide healthy snacks and lunch on test days and plenty of water;

Cut back on after school activities if your child is tired, but encourage fresh air and a fun play outside

Kids pick up cues from us – so keep it low key. The test will cover normal classroom/curriculum work learnt over a period of time. No extra tutoring or last minute studying is necessary;

Encourage your child to do their best but don't put any pressure on them - emphasize that this is just one of many tests they will have during their schooling, and is to help them learn better ;

Most of all – reassure them that you are proud of them ... for who they are!

### **Mathletics**

With the new assembly structure we have restructured the Mathletics awards also. Now there will be one Mathlete of the week and one Mathletics class of the week for Prep to Yr1, Yr2-3, Yr4-5 and Yr 6-7.

Our individual winner for week 1 was in 6-7 was Dayna in 6O. Well done Dayna! The Mathlete of the Week for 4-5 was Oneli in 4Y, and 2-3 went to Hayden in 3G. The first Preppie to win a Mathletics award goes to Adam in Prep Yellow who was the P-1 Mathletic of the week. Way to go Adam!

2-3:	2G

### Reading Eggs

Student use of Reading Eggs has been extremely positive across the campus since its launch last term. To further celebrate reading at Pacific Pines Primary there are now weekly class Reading Eggs awards from P-7. A very special and highly coveted trophy is awarded to the class in each year level with the highest usage of Reading Eggs to support student learning throughout the school. This week's awards went to:

Prep	Yr 1	Yr 2	Yr 3	Yr 4	Yr 5	Yr 6	Yr 7
Prep O	1O	2B	3O	4A	5R	6P	7O

Congratulations to all students for improving their reading by engaging with the Comprehension Gym, Online Library, Stadium, Maps and the many educational games compiled in Reading Eggs.

## IMPORTANT REMINDERS

---

Parents are not permitted to drive into the school grounds to drop off or collect students. Parents are endangering the lives of their children as well as other students entering and leaving the school grounds.

Pacific Pines State School is a smoke free and dog free zone. Dogs are not permitted in the school grounds they must remain outside the boundary fence regardless of size.

## EXCURSION NOTES AND REMINDERS

---

We will be implementing a new process whereby all excursion notes are emailed home to parents/carers. A reminder will also be sent home via email as the closing date for excursions nears, if you have already paid for your child's excursion then simply ignore the automated whole school reminder.

Please ensure the school has your current email address to avoid missing out on upcoming excursion notes and reminders.

Please do not reply to the emails as [info@pacificpinesss.eq.edu.au](mailto:info@pacificpinesss.eq.edu.au) is an automated email address and replies are not monitored by administrative staff.

## NEW SCHOOL WEBSITE

---

Pacific Pines Primary School has a new website! The address for the new site is: [www.pacificpinesss.eq.edu.au](http://www.pacificpinesss.eq.edu.au).

The website will provide parents and the community with up-to-date information, timely calendar reminders and access to school documents. It will also be a great place for families to see the great things that we do here at Pacific Pines Primary through our regular news stories.

For those of you that have smart phones there is also the option of connecting to the school website using the free QSchools app. When the school publishes content to the website, the smartphone app is automatically updated, meaning you remain up-to-date with the latest news, events and newsletters. The app also allows you to see tuckshop menus, uniform shop information, class times, contact details and the department's social media feeds. Emergency announcements, such as information about natural disasters and school closures, can be published via the app.

The QSchools app Version 2.0 for iOS and Android are available for free download from the iTunes store and Google Play. QSchools Version 1.2 for Windows 8 phone and tablet is available from the Windows Store. An update to the Windows app is coming soon.

A link to download the QSchools app appears on the website.
