### Reading Sessions

I would like to extend a big thanks to Fiona Keswell for her initiative in holding reading sessions with our parents. These sessions have been very well received and are very beneficial for parents in understanding how important it is to foster great reading habits in our students. Reading is the most important skill that a child can have. If a child struggles with reading, then it will impact on all other areas of their learning. It is vital that all children have the opportunity to read to an adult every day and/or be given the opportunity to read to themselves. Feedback from parents has been the need to hold information sessions on how to assist their children in Maths. I will be organising this for next term. You will be informed regarding dates and times.

### Prep Enrolments

This year I will be enrolling Prep students for 2015 throughout next term and hope to finalise this process by the September holidays. Our Open Morning will be Friday July 18 from 9am until 11am and enrolments will start from Monday July 21. You will need to contact the school office on 5502 5333 to make an appointment with me. You
