Our initiatives include

- Refine the school pedagogical framework and embed it as the shared language of teaching and learning.
- Provide professional development and coaching to develop teachers' understandings of the language model that underpins the Australian Curriculum: English and the general capability: Literacy, in order to develop subject specific literacies in the middle years of primary schooling.
- Provide professional development for teachers and school leaders to increase capability to initiate and implement innovative practices.
- Establish professional learning teams of teachers to share and evaluate strategies and their impact.
- Develop a plan for monitoring early phase literacy, including the schedule of Early Start assessments, opportunities for professional conversations regarding student progress and strategies for intervention.
- Embed Positive Behaviour for Learning (PBL) to ensure a learning environment conducive to learning.
